

Learn to Play Hockey & Mite C Development

Our Learn To Play Program & Mite C is here for another great season! This clinic is geared towards teaching our students the basics of playing hockey and will focus on skill development. Our friendly atmosphere Learn to Play clinic is designed to introduce beginners to the game. Emphasis will be placed on skating, stick handling, passing, shooting, and limited scrimmages. Age exceptions will be made on a case-by-case basis.

Level I

This clinic is designed for younger students, ages 4 and up, and will instruct them in basic skating and balance in a fun hockey setting.

Level II

This clinic is designed for student's aged 8-15 and is geared toward teaching hockey fundamentals. Advancement from Level I is based on recommendation from the head coach. Level II will prepare students for beginner Club levels.

Level One Clinic Equipment Needed:

Hockey Skates, **Hockey** helmet with approved facemask, gloves, shin/knee guards, throat protector and stick. Elbow are Recommended.

Level Two Equipment Needed:

Hockey Skates, Hockey Helmet with approved facemask, hockey gloves, hockey pant/girdle, elbow pads, shin pads, throat protector and stick.

For You Safety we ask that you please do not wear skates in or out of building

Bicycles helmets are not allowed.
